

## Melwood Holiday Camps – Key Info and FAQs

### 1- [What time should I bring my child to camp and where do I sign them in?](#)

School Holiday Camps run from **8:30am-3pm** each day at Melwood Oval (Melwood Ave, Forestville NSW 2087)

Our camps will run on the synthetic fields next to the cricket nets, closest to the car park.

Registration is open from 8am-9.15am. Please sign your child in at the registration desk located in the marquee as you enter the ground.

Please note that while camp begins at 8:30am, the registration desk opens from 8am to allow for parents/guardians who need extra time to travel. Our coaches are unavailable to supervise any children before this time.

If you need to drop your child off *after* the registration window closes at 9.15am, please send us an email beforehand to help with the registration process.

### 2- [What does my child need to bring?](#)

Please provide your child with their own:

- Water bottle
- Runners/boots
- Shin pads
- All weather attire (hat, sunscreen, waterproof jacket)
- Snacks

**While sunscreen is available at camp, please ensure your child arrives with sunscreen already applied. We recommend they also wear a hat throughout the day.**

### 3- [Where do I pick up my children at the end of each day?](#)

Please collect your child from the registration area where you dropped them off at the beginning of the day. **Pickup time is 3pm sharp for half day camps – please note there are no staff available to supervise your child after this time. If you are running late, please let our staff know as soon as possible by calling (02) 9982 6228.**

### 4- [What is the Wet Weather Plan?](#)

Camps at Narrabeen Sports High School are held on synthetic pitches. We will continue to run our camps in the rain unless it is constant and heavy or when the forecast is for lightning. If we are forced to cancel due to bad weather, you will be notified by email no later than 7am on the morning of camp (in which case, you will be provided with a camp credit or a full refund). **If you do not receive any weather updates via email, the camp is going ahead!**
